BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Title 71, Chapter 5, Part 14, is amended by adding the following as a new section to be appropriately designated:

Section _____. The Comptroller of the Treasury shall provide appropriate monitoring, audits and evaluations of new waivers and proposed waivers for home- and community- based services operating under authority of this part to the appropriate standing committees of the General Assembly. The comptroller shall make such reports at least once per year. Topics addressed by such reports should include access issues; costs; quality evaluation; and analysis of demand for and utilization of institutional and home-based services as affected by the new waivers. The standing committees or the chairman of either committee may also seek comment on such waivers from the long-term care services advisory council.
